3. The Conveners of the three Core-Groups gave details of the progress made by them in finalization of draft report of their Core-Groups. They informed that they are facing some problems in getting data from various companies and sought help of Ministry of Steel in this regard. Joint Secretary, Ministry of Steel requested all the members to co-operate with the Conveners by furnishing the requisite information to them promptly, so that the task assigned to the Core-Group is completed within the prescribed time-frame and the views of the concerned company are reflected in the Report of the Core-Group. It was also requested that matter be discussed by concerned Convener of Core-Groups with various stakeholders and the major issues/ constraints pertaining to sectors/ agenda points allocated to Core Groups be clearly brought about in the draft reports along-with suggested recommendations/ policy measures.

4. It was decided that the three Core Groups will finalize their draft reports within a period of ten days, which will be discussed in the next meeting of the Sub-Group. It was also decided that the next meeting of the Sub-Group will be held on 2nd August, 2011.

The meeting ended with a vote of thanks to the chair.
